Vehicle decals changing for Marshall team members

All Marshall Center team members will be required to change their vehicle decals in the coming weeks. The program is part of Protective Services' work to ensure that only authorized personnel are granted access to the Center. The Department of Defense requires updated vehicle and biographical information, and additional information on vehicle insurance, driver's license and other information. All team members will receive an e-mail, which will be sent in alphabetical order, with instructions on linking to personal information to be updated.

U.S. Savings Bonds Payroll Savings Campaign under way

The Marshall Center's 2002 U.S. Savings Bonds Payroll Savings Plan Campaign will end June 30. When employees enroll in the plan, savings are set aside before they receive their paycheck. The bonds earn competitive interest rates, are safe, convenient to purchase, provide tax advantages and are readily available in times of need. For more information, call Edwina Bressette at 544-8115.
